And look, a boiled egg maker!

You can make boiled eggs in the microwave! Isn't that amazing?

Rustle Rustle

Rustle Rustle

I brought a lot of things for you~! A low clan pillow, five sets of rags, retort-packed curry, rice crackers and fruit jelly to share with your friends!

What~?

...

Mom... Hurry up and transform back!

That tight costume is creepy...

I don't want to see my mom in those tight clothes...

What're you talking about?

Sorry, "creepy" was a bit too much!

SCARY

DID YOU JUST SAY THAT YOUR MOM IS CREEPY!?

Well... it's not exactly mine...

"Mine"?

My favorite ♡

It's very comfortable. I've always been into motorcycles, so it's like a racing suit to me.

Woah! I knew you were making your Santa debut too! I just had that feeling! And I love your costume!

...I had to pick mine out of a mountain of sweaty jerseys, so...

It looks really good on you.

Nah... It's fine.

She looks so happy...

Rustle Rustle Rustle

...

I really wanted you to live your whole life without being Santa Claus! But it's your life, your choice, so...

Let's trans-form back...

It's kind of weird to see two Santas side by side...

Yep! A regular old lady and a regular middle child, just the Sanda family!

This place is perfect for a break.

Hah~! I'm worn out after a long transform -ation!

ガチャガチャ CLACK CLACK

Hey, Sanda, why is the door locked?

Oh, are those your friends?

!!

U

You're the only regular one here.

A beautiful old lady to be exact!

You're serious, aren't you?

I can't believe you've already met the reindeer.

...Well... A lot has happened.

Okay, one last thing.

Oh, I just wanted to say hi to them

Sorry, mom, but you have to leave now! You can go out the window.

Alright! Transform and get your skis out!

What?

Granting wishes means taking on people's karma.

Santa's path is not a simple one, y'know.

I know ...

It's a lonely road, and that scar speaks volumes.

!

!?

HYA-CHOo !!

I'LL NEVER FORGIVE THAT MAN!

THAT RED-ROBED SPECIAL INVEST-IGATOR YAGIUDA! HE DID THIS TO ME!

Mr. Yagiuda...

...To leave that scar on my mom's face...

He must be a very good Special Invest -igator...

Keep your stomach warm and don't play games all the time!

Ok, ok, ok.

I know.

You too should watch out for the Special Investi -gations Unit!

Also, give the printout to your teacher!

I think I got a cold...

But... that's in the past.

I'm involved with him now.

Oh man... I've got a social studies field trip to lead... Maybe I'll sleep early todady...

When I'm done with this rounding...

Wait, did I hear myself right?

Lead? Sleep early? Rounding?

SCRIBBLE

!?

I heard that.

AGHH HHHH HHHH

STARTLED

Just some ink on your face.

I just touched your face, are you a virgin or something?

...I'm sorry, but what the hell!?

You're working late too, huh?

I'm going to make some coffee, you're welcome to join.

...I'll have one, please...

I could see it from my window... You got detention for teaching students to do backflips... That's pretty impressive.

Don't get me wrong, I didn't just wander off like you.

CLANK

But...

What can I say these days...

It's completely seperate from the outside world...

School's a unique place.

It's like I'm becoming one of its inhabitants.

Just inside the school building, it's like a whole 'nother country.

It scares me.

I was like that at first, too, but there's nothing to be scared of.

I'm always here to talk.

I know... That feeling...

I under -stand it.

Oh my.

GA AA AA AH!

THUD

Not feeling well, Mr. Yagiuda?

And I'll make sure your favorite, Sanda, gets the attention he desirves.

Guess I'll lead the field trip.

Are you ok?

Let me tell you.

I'm sure a lot of bandits will be out to get the child -ren.

I'm calling in the Red-Robed Investigations team to help out that day.

SCHOOL AND THE OUTSIDE ARE TWO DIFFERENT WORLDS.

By the time he finds out, it'll be too late.

The Santa boy is pro -tected here, but he should know how tough it is out there.

He's not feeling well.

I'll be replacing him.

Huh? Mr. Yagiuda is absent?

Quiet, every -body.

Don't stray.

He said that a lot already.

He said he's been cutting back on alcohol.

He's not getting any younger.

I bet he drank too much again.

I wish he was here...

Mur Mur

Mur Mur

I told him to stop smoking too.

...

Ok, then.

...

Don't think that I can protect all of you once we get outside.

Let's get going.

Hmm, is that really how it is?
